DADA Funding

Information on the government's funding for performing arts students, The Dance and Drama Awards (DaDAs), can be found at <https://www.gov.uk/dance-drama-awards>. DaDA funding can only be obtained for our Three Year Diploma course. There is no DaDA funding for our One Year Foundation course.

BTEC Funding

If you are offered a place on the one year Foundation Course Grade 8 Musical Theatre, you may be eligible to access the BTEC Level 3 course. If this is the case, approximately £3,000 of government funding will be allocated to reduce the Foundation course tuition fees. Further details are available on application.

Important Information

All students offered government funding through the BTEC Level 3 course, must either have a GCSE Grade C in both English and Maths or continue to seek it over the year they are on our BTEC course. Lessons will be provided on site and students will be assessed on entry so that we can allocate appropriate tuition in these areas.

From September 2015, we will offering GCSE and Functional Skills classes in both Maths & English if any student wish to re-take these subjects.
